

To: All Food Vendors for the 2008 Marble Festival

From: Georgia Marble Festival Management Committee

We are pleased to announce that the Coca Cola Company of Jasper has agreed to be a major sponsor for the 2008 Georgia Marble Festival.

Since they are a major sponsor and have exclusive rights, **only 20 oz. Coca Cola products are to be sold. These must be purchased through the Pickens County Chamber of Commerce.** They will be available at the Community Room and will cost \$18.00 per case of 24, or \$.75 each. We ask that you charge our patrons \$1.50 per drink. The \$18.00 per case cost is less than what you would pay if you purchased this product directly from Coke (\$19.25 for 50 cases or more). We feel we are providing a good deal for our vendors, our patrons and our Chamber.

The only exceptions to this new drink policy will be those vendors offering home-made tea, home-made lemonade and the smoothie or slushy type drinks.

Upon approval by the Food Vendors Committee, you will receive a list of Coca Cola products that will be available to you for purchase from the Chamber. Instruction for ordering, payment and pick-up will also be included.

We are looking forward to seeing you at this year's Georgia Marble Festival. Thank you for your participation and support of the Pickens County Chamber of Commerce.
