Banners will be hung at member's request at any networking event for \$25.00 per event. Space reservations are on a first-come, first-served basis, with a limited number of slots available. Space must be paid in full before the event or space will be resold to another member. The chamber will bill for the hanging of all banners.

Three Chamber members in the "Sign Category" are offering a special price for the production of the banner. Members will contact these sign makers directly to develop the banner using the guidelines listed to the left. Banners must conform to these guidelines or they will not be hung.

The member will own the banner. However, the banner will be stored at the Chamber office for ease of hanging. Note: Members may borrow the banner for other uses. If a member takes their banner, they will be responsible for returning it to the Chamber office. Specifications of when banner is to be hung will be determined before each event unless agreed upon otherwise.
